

Superheroes!

Emanuele Micheli

Scuola di Robotica

Agenda

- A short video about super heroes and their powers. (i.e.: <https://vimeo.com/369790678>)
- Choose your super Heroes and underline his features
- Build a Microbit wearable device
- Control your virtual Object with the device (with Scratch)

Intro

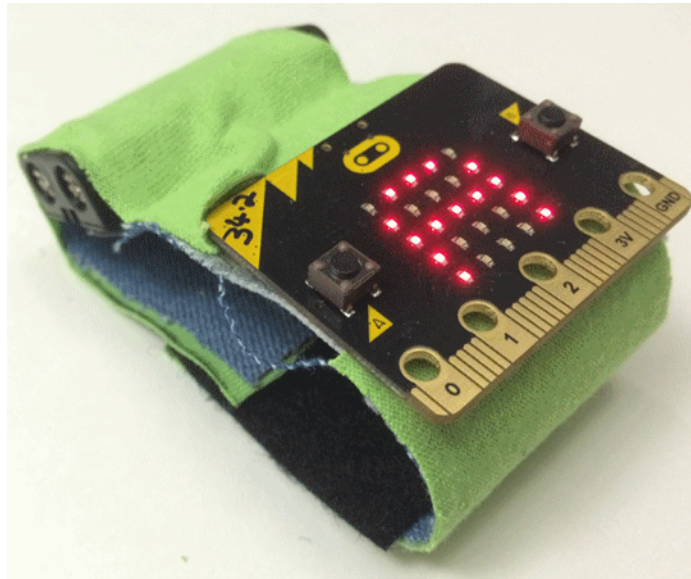

- Each group (3 students) have to analyze their own favourite superhero.
- Create a ID of the super Hero.
- Understand how to apply microbit and personalize the microbit device.

Build a Micro:Bit device

Follow this instructions:
[https://makecode.microbit.org/
projects/watch/make](https://makecode.microbit.org/projects/watch/make)

Program your device step by step

Suggestion for coding
